Uniforms Manufacturing guarantees its products against defects in manufacture only. Because applications vary, no use warranty is implied or intended. The buyer should make a careful analysis of the use by which these products are purchased. It will be the buyer's responsibility to determine whether these products will adequately protect the wearer in the environment in which they are to be used. No oral representation inconsistent with the above shall be binding. In the case of an incorrect order placement any merchandise returned to Uniforms Manufacturing is subject to a 20% restocking fee plus the cost of outbound and inbound freight.
